

# Clear<sup>®</sup> Modem

A home modem that's actually easy to install.

Series M

## FEATURES

### Easy To Use

- Installs in minutes
- Plug it in and connect it to your computer or router
- No cable guy necessary

### Versatile and Dependable

- Dependable 4G coverage for your home or office

The CLEAR Modem - Series M gives your home or office super fast internet service that's actually easy to install.

This modem requires no appointment, no professional installation - it doesn't even require a phone line. The Series M can connect any computer in the home or office to the worldwide web or it can be connected to a wireless router to create a home Wi-Fi network.
